Free State RPO January Meeting

A regional meeting of the Free State RPO was held on January 17 2012 at the Senwes complex in Bloemfontein. As per usual the agenda was a full one with many of the RPO activities been discussed and plans made for a new year. All things red meat and the marketing thereof come into consideration. Excelsus is a keen supporter of this critical link in the Red Meat industry and urge all farmers to join in the organized agriculture sector.
