Ian Currin Jnr Select Bulls

HDL0960A Apache

I like this bull because he looks like our old champion bull Chris and has a nice head and ears. He has also fine skin so you don't have to brush him

HDL0939A Shark

This bull is a Sanjika Shark son and a brother to my show bull Sanjika Wenner. Shark is very broad and looks like a Simmentaler

This bull was born without horns and is polled. Piper has lots of muscle and is a hard bull. He has smooth hair and is very long.
